

34th Infantry Division Association
1324 Park Street
Perry, Iowa 50220

World War II Anniversary:

We have received an invitation to attend the activation of the 34th Infantry (Red Bull) Division to be held at 1400 hrs, 10 February 1991, at the Division Headquarters, National Guard Armory, 600 Cedar Street, St. Paul, Minnesota. This event on the 50th Anniversary of the Muster of the 34th Division into federal service in 1941, will re-establish one of the National Guard's historic organizations.

Also, the Iowa National Guard will officially commemorate this Anniversary on 10 February 1991. Several activities have already been coordinated.

A special edition of the Iowa Militiaman will be distributed during the third week of February 1991. Individuals desiring to provide items for publication should send history items to Headquarters, Iowa National Guard, Office of the Adjutant General, Attn: AGIA-CSAR-PAO. 7700 N.W. Beaver Dr., Camp Dodge, Johnston, Iowa 50131-1902.

A ceremony is being planned at the Iowa State Capitol Rotunda which would include the signing of proclamations honoring the units called.

Received a copy of a note from MG Lawson, the Adjutant General of Iowa, informing us that Mr. Austin B. Turner, chairman-Iowa Dept. of Transportation, has informed him that Highway "34" will be designated as the "34th Infantry Division Memorial Highway," thanks to MG Lawson, Mr. Turner and to all the members that helped on this project.

The 43rd Annual Reunion was held at the Dubuque Inn, Dubuque, Iowa, 7-8-9 September 1990. Thanks to everyone for their help and attendance at another great reunion—and especially to the reunion committee—Great Job—Thank You!!
